Hi Sam,

My Santa Monica Bay NEP FR/CN will not be final until next week. The additional \$25,000 from headquarters for source reduction work just came into the region today and I am waiting for an updated application (SF424, 424 a and budget detail) from the NEP to account for the additional funds (I will receive it tomorrow). I thought it made more sense to do one far rather than two (\$600K+ \$25K). Please call if you have any questions.

Thanks.

Best,

Erica
